A. P. TAYLOR TO REENTER LOCAL PROMOTION WORK

San Francisco Representative Appointed Assistant to Secretary H. P. Wood

Albert P. Taylor, head of the San Francisco office of the Promotion Committee, has been appointed assistant secretary of the committee and will assume his new duties in Honolulu January 1, 1915. This was decided on at a meeting of the promotionists yesterday afternoon through a resolution presented by Ed Towse, the resolution, aside from providing for the appointment of Mr. Taylor, creating the new office.

The resolution follows:

"Whereas, the revenue of the Hawaii Promotion Committee has been materially increased by recent solicitation of funds, and

"Whereas, contributors have been informed that with further funds the work of the committee locally would be extended, therefore be it

"Resolved, that the office of assistant secretary of the Hawaii Promotion Committee be and is hereby created:

"Resolved, that the duties of assistant secretary shall include promotion of tourist sightseeing and entertainment in and about Honolulu; promotion of tourist travel to the other islands of the group and in the general promotion effort calculated to welcome travelers and make known and develop our tourist assets and to inform and interest visitors and residents in our scenic and other attractions;

"Resolved, that the assistant secretary's phase of activities shall be under the direction of the Promotion Committee; that the assistant secretary shall be paid \$175 a month, with an allowance of \$25 a month for personal expenses;

"Resolved, that the position of assistant secretary be offered to Albert P. Taylor, his services to begin January 1, 1915."

In the creating of this office the Promotion Committee believes that it has filled a long-felt want, in that it will now have a man who will give his entire time to the meeting of tourists and planning entertainment for them while they are in the islands. It was stated at the meeting that the Hawaii Fair Commission probably will discontinue the project of the appointment of a chief clerk for the Hawaii building, from the fact that Chairman H. P. Wood will be in the building a large part of the fair period. With this in view, the promotionists passed a resolution to send Mr. Wood to the exposition as its official representative.

Sunday shortly before 1 o'clock in the afternoon there was a more severe shake, which seemed to travel from south to north. The tremor lasted about ten seconds and rattled windows and threw pictures out of plumb. There were no "explosions" as announced last week from the Hamakua coast.
